## VISION

# By 1 July 2026, we will:

We have a new modern, light, spacious office with a nice lunch area.

Our new umbrella business name is in use everywhere.

We are 30% of the way to our 10-year target.

We are using ContactsLaw v2.0 exclusively.

We have regular, meaningful team meetings and events we look forward to.

We have published our first Year Book.

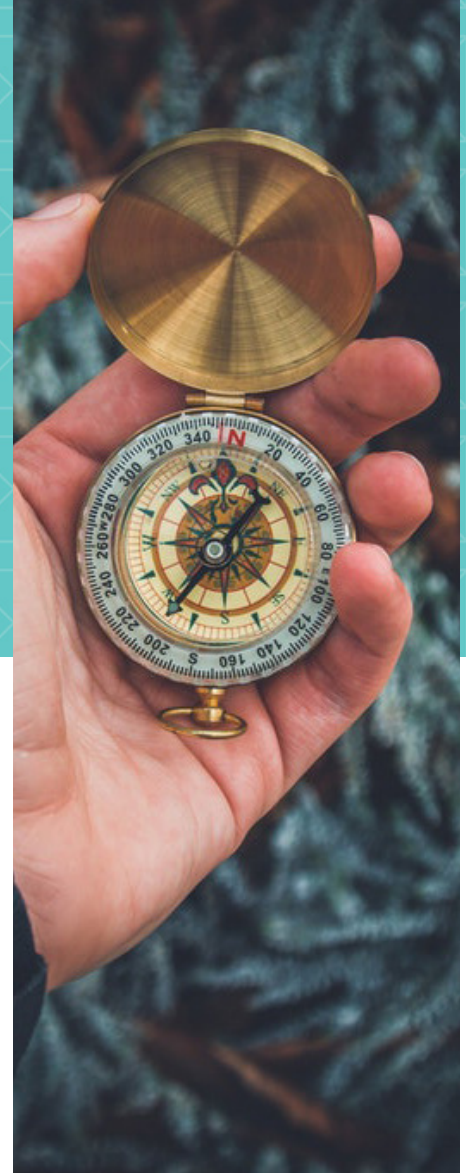

We have published 50 articles to help people simplify and solve legal problems.

We all feel valued, recognised, well-paid and part of a cohesive team.

Our team are connected and contribute to the local legal profession.

**THE BEST WAY TO  
MAKE OUR IDEAS A  
REALITY IS TO TAKE  
THEM FROM OUR  
MINDS AND SHARE  
THEM WITH THE  
WORLD.**
